TO WHOM IT MAY CONCERN

The International Islamic University Malaysia use a single indicator to measure students' academic achievement. The transcripts of our graduates will only state the CGPA score as the measure of their academic achievement. However, for ease of reference, we are pleased to provide the corresponding CGPA to Class of Honours equivalency endorsed by the University Senate.

| Range of CGPA | | Classes of Honours |
|---------------------|---|----------------------|
| 3.50 <= CGPA = 4.00 | = | First Class |
| 2.80 <= CGPA < 3.50 | = | Second Class (Upper) |
| 2.00 <= CGPA < 2.80 | = | Second Class (Lower) |

Thank you.
